LIFE SETTLEMENT AWARENESS MONTH LAUNCH – 2-2-2-2-2

As part of Life Settlement Awareness Month, and separate from the webinars, Life Settlement Solutions is also offering one of the first certified continuing-education courses on life settlements, covering fundamental and advanced topics. Although participation in webinar sessions does not count for continuing-education credit, attendance at them is encouraged. Each webinar provides a review of continuing-education material that increases chances of passing the course. An up-to-date map of states in which the course has been approved, as well as details regarding signing up for the course, can be found on the Life Settlement Awareness Month Web site, www.lifesettlementawarenessmonth.com.

Today also marks the launch of Life Settlement Solutions' proposed seven-step marketing strategy to boost summer activity, a traditionally slow time for insurance agents and brokers working in the life insurance industry.
